

San Diego Unified Sex Ed Sample OPT OUT Letter

Dear (teacher teaching the subject & Vice Principal),

I DO NOT wish my child to participate in the San Diego Unified School District's Sexual Health Education Program (SHEP). This is to include classroom instruction as well as access to the curriculum, supplemental materials and related websites.

I am choosing to 'opt-out' my child, _____ .

Please confirm that my request has been received. I would also like to know what the alternative will be during the 2 weeks of instruction and any questions regarding my request should be address only to me.

Thank you,
